**Post-Conference Excursion: Rhododendron Parks and Nurseries in
East Frisia/Oldenburg and Schleswig-Holstein/Hamburg**

May 24-25th, 2010

On May 24th, we will visit historic gardens in North-West Germany with some of the oldest Rhododendrons in our country and the large Hobbie Rhododendron-Park in Linswege, birthplace of the famous Repens- and Williamsianum-Hybrids. On Tuesday, May 25th, the programme includes a stop at the well-known Hachmann Nursery in Barmstedt and a trip to Hamburg with a harbour sightseeing tour and a visit to the main city park of Hamburg.
